## BMTTC Placement Cell

BMTTC Motihari has started a placement cell from the academic year 2018. The institution helps the students in exploring placement opportunities by permitting various educational institutions for campus recruitment of students who are going in end of the academic year. The placement cell plays crucial role in search of job opportunity for under graduates passing out from the college by keeping in touch reputed academics establishments. The placement cell facilitates contacts between school and trained graduates.

The cell organizes pre-placement programs for the students where they are trained for C.V. writing, face the skill of Interview and the selection process.

The placement activity is primarily managed by the placement committee headed by committee coordinator with the help of other committee members. The main activities for Skill Enhancement of placement cell are –

- ✓ The placement cell attempts to keep the students informed about potential job opportunities and guidance from time to time.
- ✓ Interact with schools and arrange interviews.
- ✓ Conduct mock interviews in college campus.
- ✓ Give training for resume writing.
- ✓ Provide school-based experiences through various activities.
- ✓ Guiding student to prepare different competitive exams like CTET, TET etc. by providing up to date information and preparation tips.
- ✓ Follow up regarding professional enrichment after placement.
- ✓ Alumni of the college were also updated about all the vacancies and new career option to help them to available the opportunities.
