Dated : 24/07/2022

Meeting : 1

Today's dated on 24-07-2022 at 11:00am. The meeting of the staff council was held on the college conference hall. In which the agenda were kept as follows:

Agenda:-01-Proposal regarding the more seed money.

Execution:- Among the members of the staff council, the council secretary proposed a proposal regarding the need for more seed money to encourage the teachers for seminars/ workshops and other FDP. In which he said that along with the progress of the college, there is a need to encourage teachers, in which he proposed the need for seed money for teachers. This proposal was passed unanimously by all the members.

Agenda:- 02- Proposal regarding salary increments.

Execution:- Council member Anjani Kumar Gupta proposed a proposal regarding salary increments of teachers and non teaching staff members. In which he told that in view of the present inflation, there is a need to increase the salary of teachers along with giving dearness allowance. In which this proposal was passed and support all the members.

Agenda:-03- Proposal for a separate space in the library for teachers.

Execution- Council member Raghwendra proposed a plan for separate space in the library for all teachers. In which it was told that teachers should have a separate place in the library for seminars paper preparation, research papers and govt. jobs preparation as well as studies related to teaching, where teachers can do their study work in peace. This proposal was passed by all the members of staff council.

Agenda:- 04- Proposal regarding requirement of more duty leave than last year.

Execution:-Council member Ritesh Singh Patel proposed the requirement of more duty leave than the last year. In which he told that all the staff of the college need time for the college as well as for their personal enrichment in teaching learning, in view of this, more duty leave should be given this year than past years so that both the college and the staff can progress. Along with this, teachers can also find time for their seminars and workshops. This proposal was passed unanimously by all the members.
