BHUVAN MALTI TEACHERS' TRAINING COLLEGE,

BASATPUR BADA TOLA, MOTIHARI

MEMORY OF BHUVAN MALTI TEACHERS' TRAINING COLLEGE, MOTIHARI

Teaching is one of the professions that gives a person the chance to build a healthy academic system for the country. Hence, as a teacher, you will be entrusted with educating children – the future of the country. You will be shaping minds and helping children develop and become all round individuals.

So, in order to pursue your dream of becoming a teacher professionally, you would have to complete your graduation/Inter degree followed by a B.Ed./D.El.Ed. Those are two-year courses. These two years help in building your portfolio as a teacher. A B.Ed. and D.El.Ed. Course will make you learn the art of teaching at different school levels such as the primary, secondary and senior secondary, and make a host of other professions.

The main objective of the B.Ed. and D.El.Ed. Course is not only to prepare effective teachers, those who are able to deal with the changing educational practices but also groom and make the teachers training well aware of the cultural and academic developments taking place all around. B.Ed. Course enables prospective teachers to comprehend the nature and philosophy of teacher education at secondary level. This programme also provides opportunities to learners in acquiring competencies relevant to pedagogy, curriculum development and its transaction as well as evaluation. It fosters practice among teacher training and utilizes community resources as educational, teaching methodologies, linguistic skills, reasoning skills and use of modern techniques.

FROM CHAIRPERSONS DESK

The philosophy of Bhuvan Malti Teachers' Training College is to provide meaningful contributions in areas of Teacher Education that in campus the overall development of the state which is one of the most important factors for general prosperity and progress. Today there is an urgent need to create a pool of teachers' training with commitment and dedication in the areas of better teaching in the school to become national leaders in the field of teacher education. We have to define our priorities in training students and teachers to meet the challenges of modern society. It is in keeping with this mission that we have established Bhuvan Malti Teachers' constant effort and commitment. We assure you that we shall continue to move in this direction in Bihar.

However, this ambitious objective cannot be achieved without qualified, efficient, and experienced teachers with total commitment to their duties. So, in view, we have tried our best to recruit teachers who are fully equipped with knowledge, experience, and skills, in turn, will inculcate these values in the students those who will be the future teachers. Side by side with the intellectual quality of teachers proper and adequate infrastructure with healthy ambiance are also equally important. With hopeful best wishes to all the nation builders.

A handwritten signature in black ink, appearing to read 'मालती देवी'.

Smt. Malti Devi
Chairperson
B.M.T.T.C. MOTIHARI

FROM SECRETARY DESK

No one was ever really thought by another, each of us has to teach himself. The external teacher offers only the suggestions which rouses the internal teacher to work to understand things.

-Swami Vivekananda

Teaching is not a craft but calling a profession where devotion constitutes the hallmark. Sincerity of performance and earnestness of endeavor are the two wings that will raise aloft, the teachers to the towers of success.

Our aim is to prepare the teachers to be complete, having qualities of head and heart. Education is the manifestation of the perfection already existing in man. It is excellence and quality of education which can produce leaders in every field who will take the country forward. Through carefully crafted interaction and activities within and outside the classroom we provide experience that helps the pupil teacher discover innate capabilities, set lifelong goals and proactively work towards their fulfillment.

B.M.T.T.C today stands as a symbol of native strength and quality. It is a platform where the students prepare themselves to face the world. We make the students learn to apply their own intellect through the best qualified, experienced, competent and devoted faculty. We have striven to mould the personalities of students in such a way that they can face the complex situations and challenges of life with confidence. The progress of a society depends on the progress of its students. We are sure to achieve our goal- "The goal of excellence."

I express my gratitude to all those, who share our thoughts of value based and value-oriented education which provides valuable contribution to our great nation.

**Dr. Krishna Murari
Agrawal
Secretary
B.M.T.T.C MOTIHARI**

A WORD FROM PRINCIPAL

“Education is the natural, harmonious and progressive development of man’s innate powers.” It has been our central mission to provide a all-rounded education based on principles, fostering a balanced development in moral, intellectual, physical, social, aesthetic and spiritual spheres. According to Geeta, *“What we do in our life on earth builds a foundation that will be tested in the future.”*

It has been our best efforts to bring out the best hidden talent in our prospective teachers and embellish their innate qualities to help them excel in all spheres of life. The aim of our imparting education to the students is to make them perfect citizens in materialism and spiritualism. Apart from imparting instruction to the students, the institution also pays special attention to inculcate human values and growing its students for a bright career.

Bhuvan Malti Teachers’ Training College provides fertile ground for the blossoming of future teachers by giving them multifarious opportunities to excel in different aspects. The entire atmosphere of the college promotes collaboration and cooperation leading to excellence. Providing excellent teaching through good facilities is our main priority. All this would not have been possible without the unstinted support of the college Secretary Dr. Krishna Murari Agrawal who helped the college to outshine with strength and attain milestones after milestones gracefully and victoriously.

As Principal of the college, I appreciate the opportunity to work with the students of Bhuvan Malti Teachers’ Training College and support them in their development as caring, competent, talented and responsible citizens. It is my duty to help every teacher to become better and to endow student’s lives with our founder’s vision in education.

I will keep the lamp of knowledge burning to contribute towards the development of India.

Dr. Piyus Raj Prabhat
Principal
B.M.T.T.C MOTIHARI

About the Institute

Bhuvan Malti Teachers' Training College was established in the year 2012 under the aegis of the Tarkeshwar Narayan Agrawal Educational and Social Welfare Foundation trust to develop a center of quality education for teachers in diverse fields of education. Objectives of the Institution

- To understand the nature, purpose and philosophy of secondary and higher education level.
- To enable pupil teachers to understand the psychology of their pupils and to help them grow according to their abilities, capabilities and interests.
- To inculcate in them the ability to make use of latest evaluation trends.
- To enable the pupil teachers to understand the importance of guidance, administration, Computers, environmental awareness, etc.
- To provide them the facilities to utilize community resources for betterment of the pupils.

Academic Infrastructure

A well-organized infrastructure helps the students to concentrate on studies more and also provides them everything and every facility they require to keep their mind focused on their aim and success. BMTTC campus is well-resourced with technical infrastructure and facilities. With green environment and technically advanced campuses. The institution is the ideal destinations for perfection-oriented learning. Multipurpose hall with multimedia capabilities along with well furnished and spacious classrooms are the basic infrastructure of the college. Apart from this, the college also maintains a rich library and well-furnished laboratories. These laboratories are open for the students to experiment with novel ideas which could enhance their capabilities to disseminate knowledge. Sports facilities are provided to the students within the campus itself.

Library

The College has well equipped library with more than 10000 books and periodicals. The library also has many encyclopedias in the form of CD's which students can use to enhance their understanding of concepts or utilize during their school experience. Library is organized into various sections viz. Curricular section, Periodical section, Reference section, Multimedia section, Newspaper & magazine section, which are managed by professionally qualified librarian. The library is open for every student from 9:30am to 4:00 pm to enrich their knowledge.

ICT Lab

The institution has a well-furnished and fully functional ICT lab. The college has many computers which are spread across in the college like in the psychology lab, library and various offices. All computers are multimedia enabled and are connected over LAN and the internet facility is thus provided. The lab has projectors that are used in the teaching-learning process as students are encouraged to learn how to make and teach using presentations. Other than this in ICT lab we have televisions, music system, an audio mixer and many educational CD's which students may be benefitted from.

Science Lab

Science Lab is well designed, equipped and built to allow practical hands-on experimental approach for future teachers meant for conducting Physics, Chemistry and Biology activities & experiments for class VI to XII students. Science laboratory is designed for optimal safety and imparts the best learning experience ever. It's equipped with the tools and apparatus which help the learning process to be easier and quicker, making sure the prospective teachers are scientifically up-to-date. Some of the experiments that students, teachers can perform in the science lab include those dealing with the concept of electricity & optics in Physics, chemical analysis of salts and titration in Chemistry, making temporary slides, studying adaptation patterns in Biology etc.

Psychology Lab

The College has a well-equipped psychology lab with all the latest psychological tests and the latest equipment to study total human behavior and to provide guidance and counseling services. The students are required to perform all the tests in the laboratory which helps them in acquainting to the proper utilization of the test material and this educates them to abide by the ethics of the laboratory. In the Psychology lab there are different types of Aptitude tests, Interest tests, Intelligence tests Verbal and Nonverbal tests Personality tests, Achievement tests, Creativity tests, Adjustment Emotional and Intelligence inventories available.

Art & Craft

The art & craft resource center is aesthetically decorated which has all the material and apparatus to cultivate aesthetic value in our students. This lab provides an opportunity for students to gain hands on experience in areas like art and craft, designing and printing, waste material utilization, painting, pot decoration, flower arrangement etc.

Medical Facility

Institute has contract with two MBBS Doctors to take care of the health of the faculty members, non-teaching staff and students. They are available in the Institute for two days i.e., Monday and Thursday for free consultation. The institute has a on-campus dispensary in campus to meet the first aid & routine medical requirements of the students free of cost. In the dispensary the consultation is also provided to the members of faculty.

Language Lab

It is a very helpful tool for practicing and assessing one's speech in any language. It provides a facility that allows the students to listen the model pronunciation repeat and record the same, listen to their performance and compare with the model and do self-assessment. BMTTC has a well-equipped Language Lab.

Social Science Lab

It helps in creating and maintaining a much-needed congenial atmosphere for effective learning of social Studies. The permanent display of important maps, pictures and chart and constant reference to them by teaching is sure to make the social science teaching effective, lively and interesting. This lab makes improving the attitude and skills of students by working together. BMTTC has a well-equipped S.S. Lab.

Seminar Hall

BMTTC has a well-equipped seminar hall, with the sound system and LCD Projector. The faculty and trainees make use of these faculties to make project presentation to conduct interactive sessions and Guest Lecture.

Multipurpose Hall

This is a venue for organization of various institutional functions. BMTTC has a spacious well ventilated and well-furnished assembly hall with seating capacity of 150 persons, which is used for various programmes.

All Round Personality Development

Bhuvan Malti Teachers' Training College Motihari accords great importance to overall development of personality of students. Our aim is to provide encouragement, support, and access to activities that enable the students to develop in all the aspects of personality.

Cultural Activities

Cultural activities constitute an important part of our curriculum. These include events like seminar, workshops, symposia, quiz programme, study circle, music, dance and drama etc. Every year Freshers are welcomed by seniors with a welcome function and juniors are also given a proper farewell to their seniors. BMTTC celebrate various important national and international days regularly as a part of it's co-curricular activities. All the festivals like Dussehra, Diwali, Holi, Christmas, etc are also celebrated with great enthusiasm and vigor. These activities inculcate values of discipline, group work, knowledge of self and sense of healthy competition among students.

Sports Facility

Keeping in view the importance of sports and its vitality in the shape of an individual's personality and health and fitness, the institution places considerable emphasis on student's participation in various games and track and field activities. The spacious grounds of the institution are laid out into playfields for Cricket, Hockey, Volleyball, Basketball, Tennis etc. Facilities have also been provided for Yoga. Every year a 'Sports Meet' is organized for the students. Lecturers in Physical Education and coaches are available for scientific teaching, training and coaching in various games and sports and physical fitness program.

Contribution towards Community

Education is a field which plays an important role in creating awareness about critical issues faced by our country. Being a socially responsible & environmentally conscious institution, Bhuvan Malti Teachers' Training College Motihari contributes to the welfare of society. For this purpose, BMTTC adopted Village Basatpur Bara Tola as it's college is also situated in the same village. BMTTC conduct awareness campaigns, rallies and our students perform street plays to create awareness among people of village Dulhera, about various social issues.

Educational Tour

One of the annual features of the institution is to arrange various recreational tours and excursions. Student Teachers visit various places of historical, religious and educational values. These trips help the student teachers to develop the various aspects of their personality. Students on Educational trips can often learn while having fun in a more informal environment. Opportunities are given to students to enhance their knowledge through educational tours.

Faculty Staff Room

The college has a well-furnished faculty staff room in which there are also separate cabins for the teachers, so that there is no hindrance in their studies and there is also a big table to sit together for any meeting and other work. Which is used during the discussion of teachers on any academic topic.
